CLASS HISTORY

On September 4, 1933, a group of happy girls and boys gathered at the Star City School to begin their first year of school. Included in that group were Lois Abbott, Billie Anders, Robert Berkshire, Marilyn Capper, Jean Ann Compton, Marjorie Day, Louise Edington, Loretta Grant, Peggy Harris, Mae Hendry, Darl Hettinger, Marguerite Hiland, James Knebel, Jane McLochlin, Dick Newman, Margery Ruff, Rosemary Ruff, Dan Sayers, John Skillen, Betty Warner, Roy Warner, Joan Weaver, Patty White, Ruth Ann White, Ralph Vangundy, Robert Durbin, Marguerite Hiland didn't remain with us very long. Ralph Vangundy moved to Thornhope. Helen Clouse, Wilma Wachnitz, Clara Smith, Donald Hedger entered our class. Our teacher this year was Miss Julia Phillips.

Then we started moving on, as now we enter our second year of school. New ones are: Hazel Colby, Billie Fox, Mary Smith, Velma Smith, and Robert Warfield. Gene Barker entered our class during the year. Jane McLochlin, Clara Smith, Margery Ruff, John Skillen, Robert Durbin, Marilyn Capper, and Darl Hettinger failed to show up this year. Our teachers this year were Alma Wirick and Icle Lebo.

On to the third grade, with Donald Hedger, Mary Smith, Roy and Betty Warner missing. Additions to the class were Dale Burns, Betty Lou Hazlett, Argyle Gerlach, Mace Jr. Gellinger, Harold Limings, Joe Roberts, and Bessie Zeek. Bessie didn't remain very Long. We had Alma Wirick and Mrs. Buck as teachers.

Onward and upward we are moving. This year we find new in our class Donald Garrett, Alberta Baldwin, Bobbie Russell, and Melvin Ewing. Those who left us were Gene Barker, Ruth Ann White, Billie Fox, and Harold Limings.

Still moving, though it seems mighty slow, we now enter the fifth grade, with Grace Densborn as our teacher. Our class consisted of Billy Anders, Bobby Berkshire, Dale Burns, Marilyn Capper, Jean Ann Compton, Dick Conn, Margie Day, Melvin Ewing, Bill Frazier, Junior Gellinger, Argyle Gerlach, Loretta Grant, Nickie Grostefon, Peggy Harris, Fred Hettinger, Miles Hettinger, James Knebel, Richard Newman, Joe Roberts, Rosemary Ruff, Robert Russell, Dan Sayers, Wilma Wachnitz, Joan Weaver, and Patty White. William Bonnell, Virginia Sutton and Beverly Dickson entered our class during the year. Velma Smith left, but later reentered.

Our last year down stairs has now come and we are a very happy group. Preparing to climb the stairs with the rest of the group were Anna Marie Bauman, Jacqueline Dickson and Charles Jolly. Peggy Harris, Joan Weaver, and Melvin Ewing left us during the year.

Now that we are in the seventh grade and up stairs, we feel that maybe we are accomplishing something. Those who are starting here with us this year are Gene Barker, Anna Marie Bauman, Willie Bonnell, Dale Burns, Marilyn Capper, Jean Ann Compton, Dick Conn, Charles Dalka, Marjorie Day, Jacquelyn Dickson, Bill Frazier, Mace Gellinger, Argyle Gerlach, Loretta Grant, Freddie Hettinger, Jim Knebel, Dick Newman, Joe Roberts, Rose Mary Ruff, Danny Sayers, Velma Smith, Virginia Sutton, Wilma Wacknitz, and Patty White. Gordon Foreman, Maxie Jones, Donald Lange, and Betty Whipple joined us during the year. Donald Lange only remained a short time. Velma Smith also left us. Our leaders this year were Gale Metzger, Lloyd Carpenter, Marjorie Boomershine, Vera Peigh, Ray Reed, D. P. Surber, Geraldine Thompson, and Charles Byfield.

In the eighth grade Veneda Galbreath was the only new one. Betty Whipple did not appear at school this year at all. Fred Hettinger left but re-entered again in a short time. This was our first year in the new building. New teachers this year were Mr. Replogle taking Miss Peigh's place and Hazel Snyder took Metzger's place. However, Mrs. Fitzpatrick completed the year for Mr. Replogle and Zelma Ross for Miss Snyder.

Now, we are really starting to roll. We have just stepped on first base and are getting along rapidly. New faces from Thornhope were shining and those from Fairview glowed. Our full crew included the old gang Gene Barker, Anna Marie Bauman, Willie Bonnell, Marilyn Capper, Jean Ann Compton, Margie Day, Veneda Galbreath, Mace Gellinger, Argyle Gerlach, Maxie Jones, Jim Knebel, Dick Newman, Joe Roberts, Rose Mary Ruff, Dan Sayers, Virginia Sutton, Wilma Wacknitz, Patty White. New ones from Fairview were Dale Burgess. Margaret Hayden, Elsie Houchins, Bertha Williams, and from Thornhope we had Donald Fisher, Merlin Funk, Dale Russell, Charles Seward, Barbara Thompson, Ralph Vangundy, and Ralph Zieders. During the year Fern Rans, Eileen Leslie, and Nicholas Grostefon entered our class. Nick left a short time later. Dale Burns, Fred Hettinger, and Dick Coon failed to show up this year. New teachers were Veral Clausen, taking Mrs. Boomershine's place; Mrs. Fisher, taking Miss Fitzpatrick's place. Phillip Hyman became coach in Reed's place.

Moving on to second base, we shall look around at who is present this year. New members of our class this year were Mary Lou Widup, and Devon Neher. Devon left during the first month of school, and Mace Gellinger withdrew during the second month. Virginia Sutton, Bertha Williams, and Fern Rans also left the latter part of the year. Elsie Houchins didn't appear this year. New teachers this year were Eva Schwartz, taking Miss Clausen's place; Chase Bussell taking Snyder's place; and Mrs. Mitchell was added to the faculty. Mr. Surber became coach in Hyman's place.

We are still traveling, slow but sure, and we are now on third base. We saw new as the doors were opened for this school term Leona Randolph. Every one was back in their old seats but Margaret Hayden and Maxie Jones. A change in teachers this year brought us Wayne K. Walters to take Bussell's place; Mrs. Patte son to take Schwartz's place, and Mrs. Mary Carpenter to fill in Miss Thompson's vacated chair. Mary Lou Widup left during the year.

We are now on the home stretch and are we ever feeling happy about it. We got off at full speed with the whole gang pulling as hard as they could. Our senior class includes Gene Barker, Anna Marie Bauman, William Bonnell, Dale Burgess, Marilyn Capper, Jean Ann Compton, Margie Day, Ed Fisher, Merlin Funk, Veneda Galbreath, Argyle Gerlach, Jim Knebel, Wayne Graffis, Dick Newman, Rose Mary Ruff, Joe Roberts, Dan Sayers, Wilma Wacknitz, Betty Whipple, Charles Seward, Patty White, Barbara Thompson, Ralph Vangundy, and a new member, Lucille Peters. Teachers this year are Mr. and Mrs. Lloyd Carpenter, Mrs. Gwendolyn Stalions, Mrs. Harriet Stoudt, Mrs. Margaret Moyer, Mrs. Elizabeth Franks, and D. P. Surber.

CLASS PROPHECY

Washington, D. C.
April 20, 1955

Dear Ralph —

Every year about this time, I always wonder what has become of my S. C. H. S. classmates. This time my curiosity got the best of me, so I looked them all up.

Marilyn C. and Ralph Fritz have been happily married for seven years and have been blessed with a pair of healthy youngsters. They live on a farm outside of Winamac.

Rosie and Marjorie are professional photographers. They recently did a series of pictures for The Chicago Times of Hitler's burial by the German people.

Gene is Professor of Psychology at Purdue University. I hear that the Co-eds swoon over him as they used to over Frank Sinatra. Remember him?

Did you know that Patty White is a Powers model? Her professional name is Bunny Babson. She plans to return to her home town and marry Dick. He and Dan farm 2000 acres of land, which seems to be an unusual accomplishment even today. They say that with their modern machinery it is easy. Jean Ann and Dan Jr. edit Dan's poems which he writes in his spare moments.

Anna Marie teaches Home-Ec. at Monterey. She also keeps house for Virgil.

Bill Bonnell is president of the Lucky Strike Tobacco Company. He and Mary Lou live in Georgia, where he can be near to his growing business.

Thornhope now has a population of 25,000. The Seward Plastic Company is responsible for this sudden increase. You guessed it! Charlie Seward's genius has finally been used to a good advantage.

Bobby now sings with Tommy Dorsey's orchestra, and attends Art School on the side. They are on a world tour but can be heard on a national-world network every night.

Jim crashed the movies in 1950, and is now beginning his tenth role as Gen. MacArthur in "We'll Be Back," a story of MacArthur's great exploits in the War.

Betty Whipple has gained great fame in her latest book "Blue Moon." Betty has been traveling abroad visiting Paris this summer.

General and Mrs. Burgess live at Bradly Field in California. Dale is in command of a squadron of Z-4 Rocket Ships. Veneda is as proud of him as he is of her; she is the most famous hostess in the state.

Wayne is the new heavyweight boxing champion. His new manager, publicity man, and trainer is Ed Fisher. His next fight at Madison Square Garden is scheduled for May 4.

Wilma Alice is proprietress of a Stationery store. She sells Christmas cards, birthday cards, and other things that she can make money on.

Lucille has been a full-fledged nurse for four years. She is in charge of the St. Joseph hospital but now expects to transfer to Riley at Indianapolis.

Merlin supplies Pulaski County with milk, butter, cheese, etc. He bought up all the dairies in the vicinity and steadily increased his wealth.

I almost forgot Joe! Joe Robert's Beauty Salons can be found in every fair-sized city, although his main headquarters are in New York, Paris and London. He has gained great renown for his intricate hair-stylings.

How do you like being a Repreentative in the State Legislature? Perhaps I can use my influence to get you a position here in Washington, D. C.

I'm expecting to hear from you soon.

Sincerely yours,
ARGYLE.

CLASS POEM

THE TWELFTH STEP

After this journey of twelve long years
That has been spiced with happiness and tears,
We've come to the step that spells success;
We've toiled, we've sweated, we've forfeited to gain
The knowledge we need, and it was not in vain,
But until we arrive, we never will stop,
Of learning. True, our tastes will vary,
The boys may discover, the girls may marry;
But whatever our courses, they all will lead
To the step at the top and we'll all succeed.

We've come to the step that sometimes has failed
But we'll follow the ones that really have sailed
And struggled until they at last reached the top.
We've got farther to go and it'll be harder, too,
And the obstacles to pass won't be just a few,
But until we arrive, we never will stop.
So be not afraid, you teachers who've spent
Much time in preparing us for this event;
One of the happiest moments of all those who delve,
Is success in passing STEP NUMBER TWELVE.

CLASS PLAYS

MAD MARCH HEIRS

The three act comedy by Tom Daggart was presented in the Star City Auditorium on April 14, 1944, under the direction of Mrs. Mary Patterson and Mr. Wayne Walters. The cast was as follows:

Obadiah March (a retired millionaire) ..... Dick Newman
Letty (his daughter-in-law) ..... Patty White
Hamlet (Obadiah's grandchild) ..... James Knebel
Cordelia (Obadiah's grandchild) ..... Barbara Thompson
Rosalind (Obadiah's grandchild) ..... Marilyn Capper
Henrietta March Gordon (his daughter) ..... Marjorie Day
Bruce Lawrence (a young lawyer) ..... William Bonnell
Jane Kenning (his stenographer) ..... Veneda Galbreath
Madeline Laval (a night club singer) ..... Rosemary Ruff
Baron Kurt Dubois (a young Frenchman) ..... Gene Barker
Ferber (The butler) ..... Ralph Vangundy
Frieda (the maid) ..... Betty Sue Whipple
Fred (the chauffeur) ..... Dale Burgess
Didy Hunnicut (Cordelia's gang) ..... Leona Randolph
Bob Normal (Cordelia's gang) ..... Dan Sayers
Jukes Kallikak (Cordelia's gang) ..... Ed Fisher

The setting of the play takes place in the living room of the March apartment, a penthouse on Park Avenue, New York.

They think only of money and we find them all trying to spend their grandfather's fortune. Mrs. March, a former Shakespearean actor, cannot forget the old days. She has named her children Hamlet, Rosalind, and Cordelia. They are pampered and spoiled. Cordelia has been expelled from school, Hamlet is number one glamour boy and Rosalind is engaged to a wealthy lawyer. However, she is violently in love with the family chauffer. Another member of the family is Aunt Henrietta, a young widow who has been in Europe but now is home on account of the war. Grandfather then decides to make out his will and sends for a lawyer. He brings along his stenographer, Jane Kenning, who grandfather takes a strange liking to. Grandfather then asks her to stay and gives her control of the family spendings; that causes trouble. He then turns his fortune over to Jane and before she can give it back, grandfather disappears. However he returns to end it up right.

The parts of Frieda and Jukes Kallikak, originally given to Wilma Wacknitz and Argyle Gerlach, were played by Betty Whipple and Ed Fisher because of the formers' illness.

DAMSELS IN DISTRESS

The three-act comedy, "Damsels in Distress," was presented by the Seniors the night of December 6, 1944, in the Star City Auditorium, under the direction of Mrs. Gwendolyn Stalions and Mr. Dwight Surber. The characters were as follows:

Pamela Royle—an art student ..... Marilyn Capper
Geraldine Ware (Gerry) dramatic student ..... Patty White
Mrs. Meeks—(who loves a masterful man) ..... Anna Bauman
Mrs. Guppy—(an eagle-eyed land-lady) ..... Margie Day
Natasha Federovna—a temperamental Russian ..... Veneda Galbreath
Jimmie Love—a glamour boy ..... Gene Barker
Shelby Parsons—a medical student ..... Dale Burgess
Aunt Eustacia Carstairs—Pam's aunt ..... Rosemary Ruff
Braymer Babcock—Gerry's uncle ..... Ralph Vangundy
Ethelbert Meeks ..... William Bonnell
Mike ..... Dick Newman
Bill ..... Charles Seward
Delivery men for a Music Co.

Pam and Gerry are in New York studying art and dramatics although Pam's aunt and Gerry's uncle believe th[illegible] to be studying music and painting. Jimmie Love is a New York glan[illegible] and [illegible]ver of Pam's. Many embarrassing situations arise for both Jimm[illegible] [illegible]es take Jimmie's pants and he seeks refuge

in Pam and Gerry's apartment. To make matters worse. Natasha, a fiery Russian who is now Jimmie's fiance, keeps bursting into the room and Jimmie must be hid. Also, Shelby, Pam's fiance, calls for supper. The climax comes when Aunt Eustacia, who loves only a cat, and uncle Braymer, who is poultry-minded, come for a visit. More hilarity is added when it is disclosed that Eustacia's cat has been poisoned and she blames it on to Uncle Braymer.

It all end up by Jimmie and Pam reconciling and when Braymer finally makes Eustacia understand that the poisoning of the cat was accidental, they, too, make up and they all lived happily ever-after. (We hope!)

Music was furnished between acts by the high school orchestra under the direction of Charles L. Byfield.

SPORTS

Coach Dwight Surber has piloted the Star City High School basketball team through a very successful season considering the competition against whom the boys played. Winning 14 games and losing 7 for an average of 67% for the season is a record many teams would like to have.

The Stars won the Invitational Tournament, held in our gymnasium December 30, 1944. This is the first time Star City has won the tournament. In the first game, the Stars defeated a very strong Monterey quintet by a score of 27 to 17. This advanced the Stars into the finals where they turned on the heat to defeat Grass Creek 31 to 21 for the crown.

In the County Tourney which also was held in our gym, the Stars were defeated in their first game. It was a hard-fought game in which our boys were stone cold and had to overcome a 15 to 3 lead, obtained by Medaryville in the first quarter, in order to win. The Stars fell short, however, and the final score was 22 to 21, Medaryville.

The Starlets made the grade by defeating a strong Pulaski five 24 to 13 and then an undefeated Medaryville five 21 to 15. This makes the third consecutive year that the Starlets have been crowned County Champs.

In the sectional tournament, the Stars entered their first game against a fighting Fulton crew and by playing "nifty" ball came out on the long end of a 24 to 23 score. Saying, "Why stop now?", the Stars bowled over the favored Akron team in their second game by a score of 35 to 32. That game upset all "dope buckets" for Akron was considered by all as the Sectional "dark horse".

The tired Stars then advanced into Semi-finals against the fresh Grass Creek quintet but couldn't find the range and bowed to a 24 to 19 defeat.

STAR REVIEW STAFF

The Star Review has been published yearly by the students of Star City High School since 1934.

The paper was originally published semi-monthly, but due to war shortages, the paper has been printed monthly this year.

It is printed by means of a mimeograph duplicator which is operated by a student production manager. All material published is written by school personnel.

The paper is sponsored by members of the faculty, usually the Commercial and English teachers.

All the equipment used in the publication has been purchased by the staff through subscription and advertising.

4-H CLUB

The Star City 4-H Club started on May 9 with 23 members. The girls who enrolled were taking various projects and some carrying as many as six at one time. The members at the first of the year were: Anna Marie Bauman, Joan Sales Bauman, Lois Ann Bishop, Lillian Bonnell, Margaret Bonnell, Delores Brown, Donna Lou Brown, Virginia Lee Brown, Aldonna Cosgray, Leah Jane Cosgray, Geraldine Crissinger, Jane Crissinger, Virginia Crist, Bernice Haselby, Lorah Hettinger, Esther Purdy, Florence Schultz, Darlene Surber, Wilma Alice Wacknitz, Sandra Warner, Donna Barker, Vivian DePoy, and Delores McCrosky. Of all the girls who enrolled about 85 per cent completed their work.

The officers of our club were: President, Margaret Bonnell; vice-President, Virginia Brown; secretary-treasurer, Lois Bishop; song leader, Anna Marie Bauman. Our leader was Mrs. Mary Jones.

In June of 1944, Margaret Bonnell went to Purdue for three days. There were six girls from the county who went to that Round-Up.

Our first meeting was May 9 at the Star City Home Economics room. The meetings were held on Tuesday afternoons at 2 p.m.

The order of the meeting was the Pledge to the Flag, followed by the 4-H Pledge, then singing, which was led by Lillian Bonnell. The business meeting was conducted by the president and also the roll call. After the general part of the meeting there were from three to four demonstrations by different girls. Each girl had to give at least one local demonstration.

At the close of the meeting we played games and the Junior Leader helped some of the girls with their projects. Anna Marie Banman was the only Junior Leader.

On June 6 there was initiation services for the new members. Of course, all of them looked forward to that meeting (?).

In August the girls and boys had a party together in the gym.

On the 9th of July the girls had a weiner roast at Dykeman Park at Logansport, and went to the show afterwards

The 4-H Club camp was during the 28th to the 31st of July but no one from Star City went. The girls had a food sale at Bill Stephens' in the middle of the summer.

On July 18, at the Winamac Christian church, the county judging and demonstration contest was held. Margaret Bonnell was chosen to represent this club in the demonstration contest and in it she placed second. Anyone could be in the judging contest that wanted to. Joan Bauman went to Laporte for the district judging contest in Clothing. Wilma Alice Wacknitz went also to judge Canning.

Late in the year Margaret Bonnell went to North Judson to give a demonstration for the Muck Crop Show.

The county fair of August 21 to 24 was held at Winamac. All girls who completed their projects took them to the State Fair. A public dress revue for first year beginners on up, was held. The private dress revue was held in the morning. The purpose was to pick the girl who was to represent Pulaski County at the State Fair. Veneda Galbreath and Anna Marie Bauman sent their dresses to the State Fair and received "A" on them.

Last year we had a very nice club. This year we have already started our enrollment. There are as yet only about fifteen girls enrolled. It has decreased greatly from last year's club. We hope to have a 100% completion and also in the future years to have a larger club, with all girls completing their work.

Our Home Ec teacher, Mrs. Moyer, will be our 4-H leader this year. We hope to have more parties this year, and a larger attendance to the 4-H camp.

The 4-H motto is: "Make the best better," and so this year we intend to improve.

And now and then there's a toll-gate where you pay your way with tears.

It's a rough road and a steep road and it stretches broad and far,

But it leads at last to a Golden Town where Golden Houses are.
